Kinan

Dikta

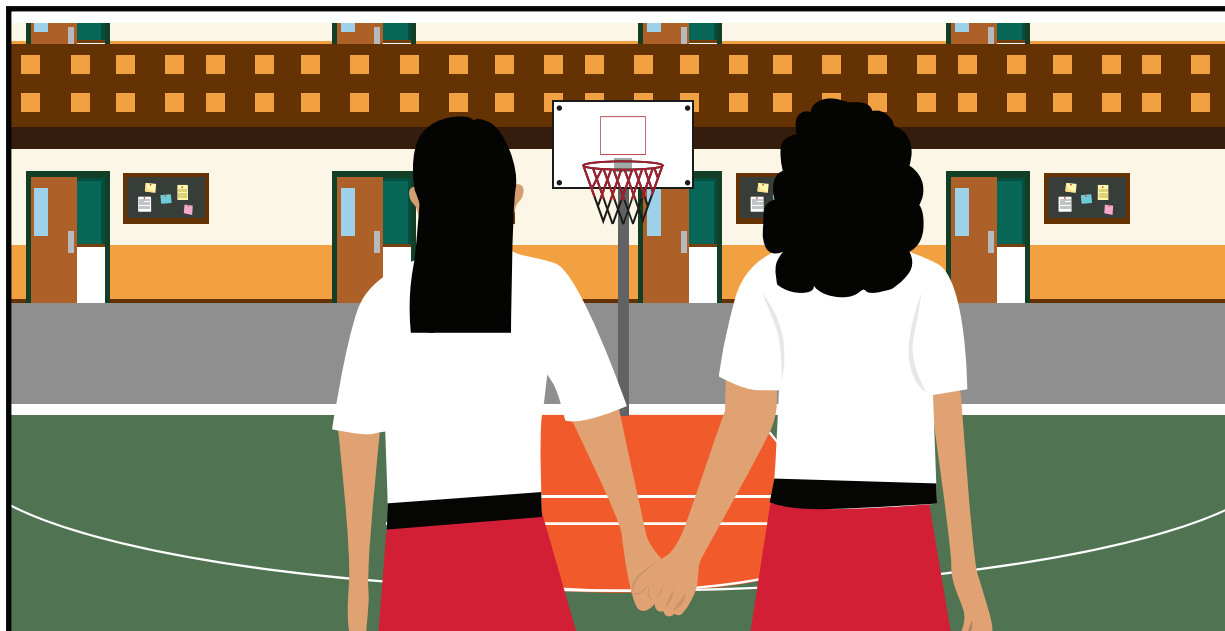

Djani lungguh ing bangku taman sinambi dungkluk lan nyisih saka kanca liyane.

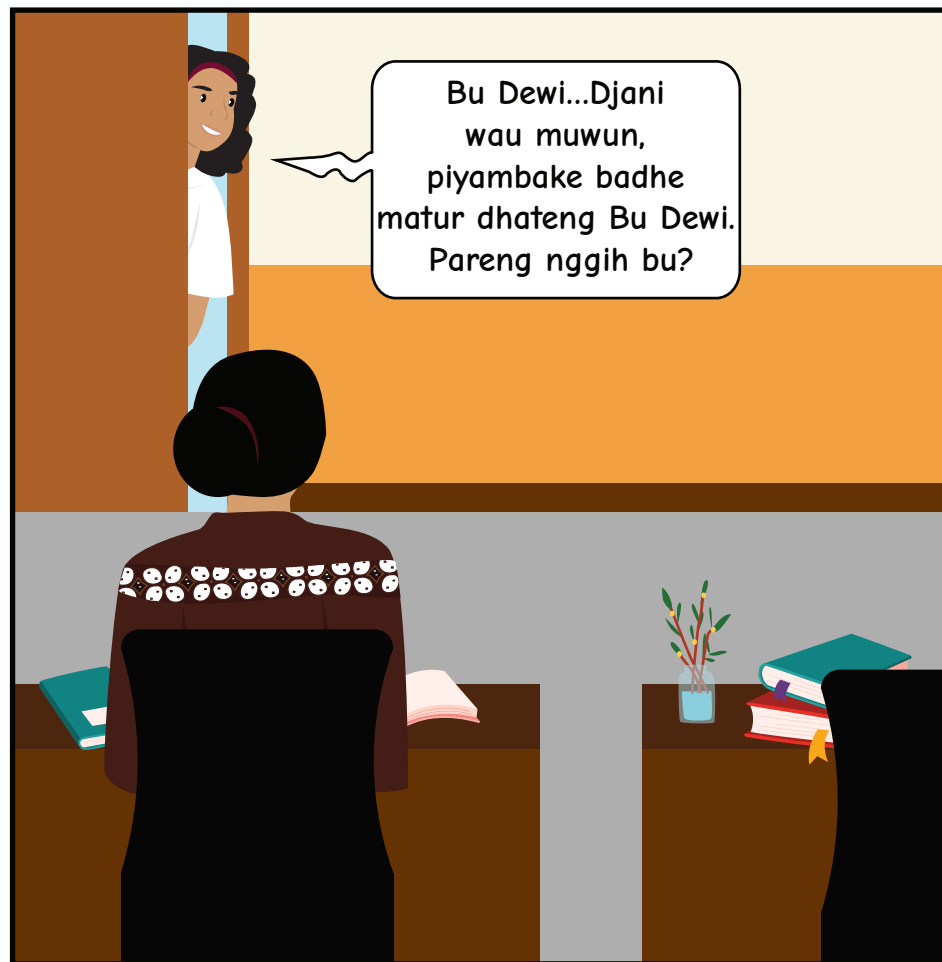

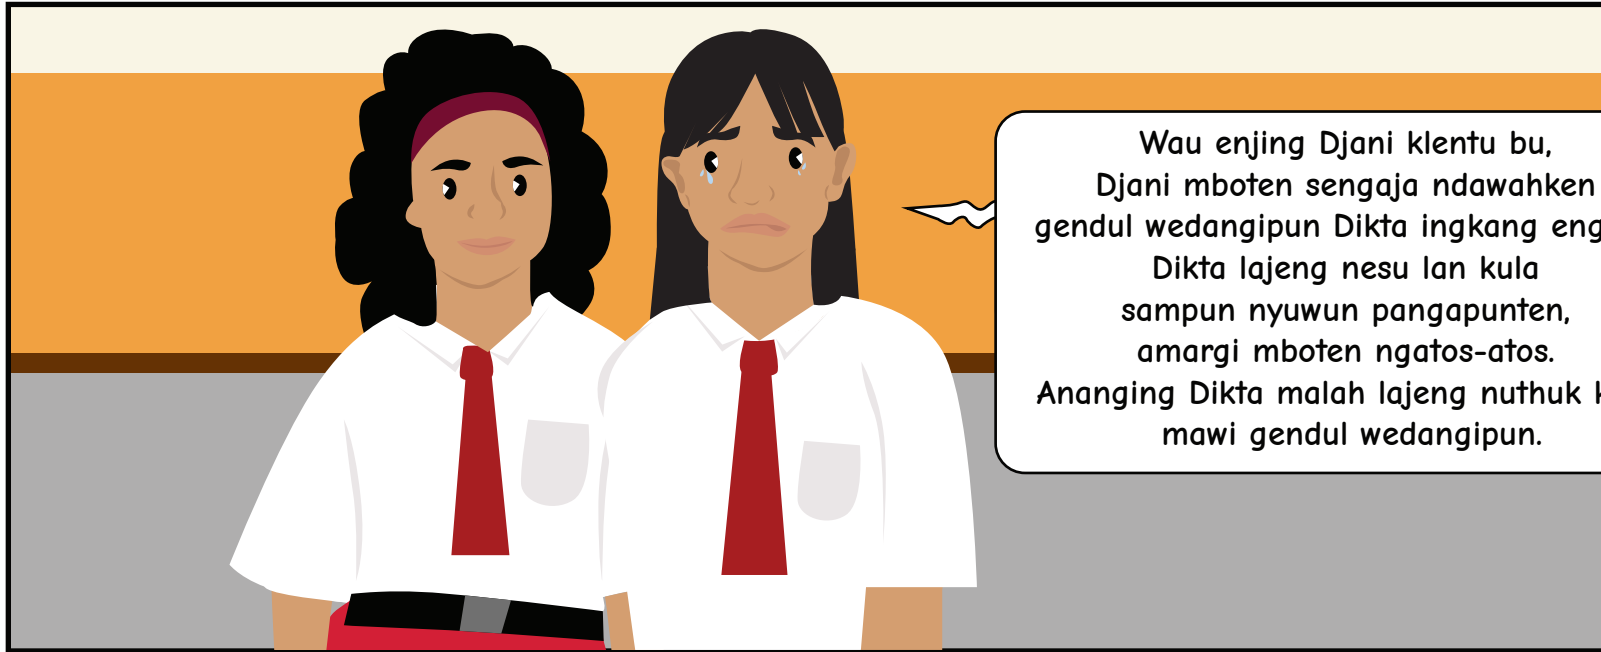

Bocah loro iku age-age menyang ruang guru lan nggoleki Bu Dewi.

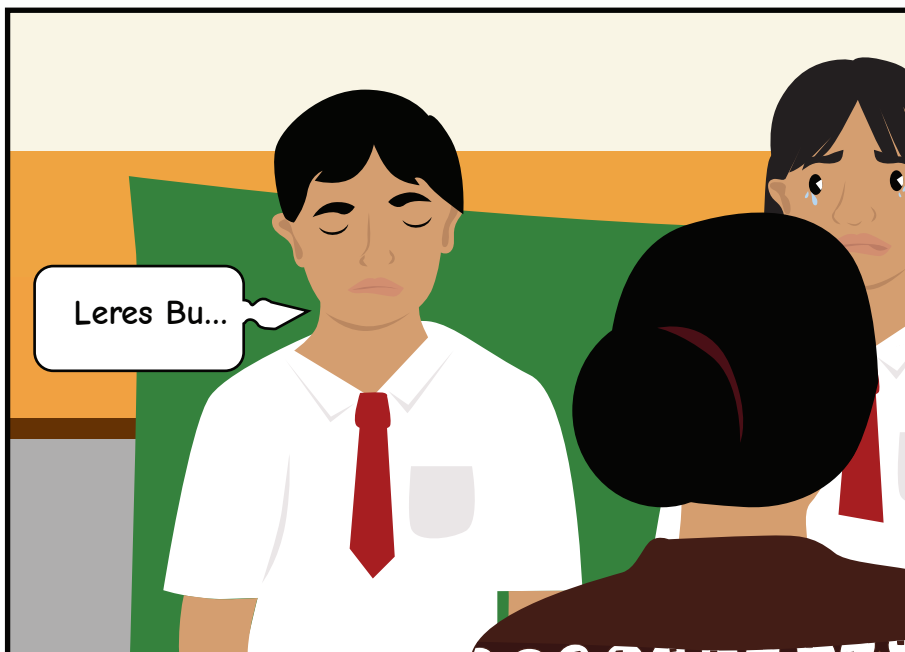

Pungkasane Djani nyritaake kedadeyan esuk mau marang Bu Dewi.

Bu Dewi ngajak Djani, Kinan, lan Dikta rembugan ing ruang perpustakaan kang luwih sepi.

Dados mekaten bu. Kula mangkel lan nesu amargi gendul menika nembe dipunpundhutaken bapak nalika dinas saking Jakarta. Dikta remen sanget kaliyan gendul menika. Ananging, dumadakan Djani dugi lan nyenggol gendul kula. Kula lajeng nesu lan nuthuk Djani. Nanging sakmenika kula badhe nyuwun ngapunten amargi kula ngertos menawi menika klentu.

Bocah pintar. Ibu sarujuk. Dikta entuk nesu, nanging tumindake Dikta nuthuk Djani kuwi uga kleru. Ayo saiki Dikta njaluk ngapura karo Djani lan diandharake apa sing kok rasakke.

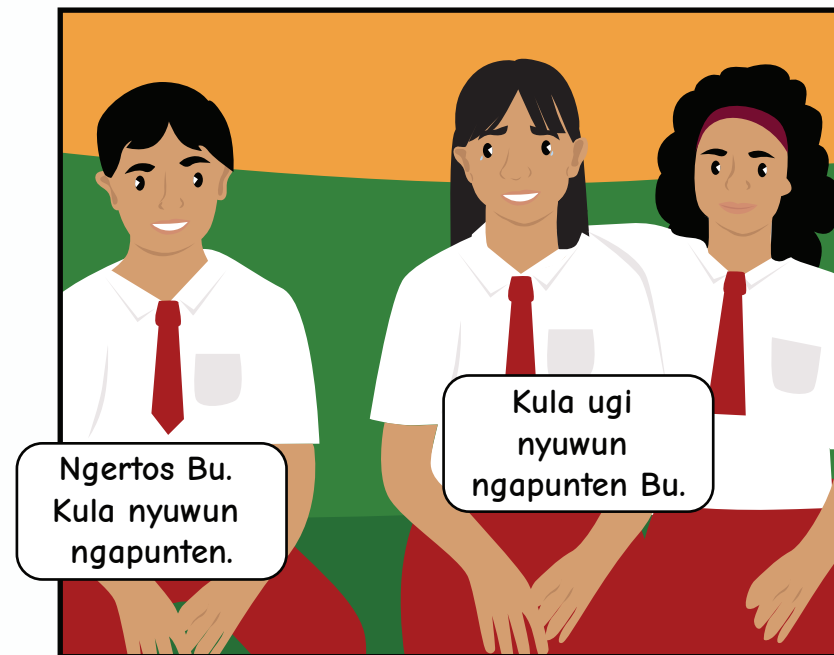

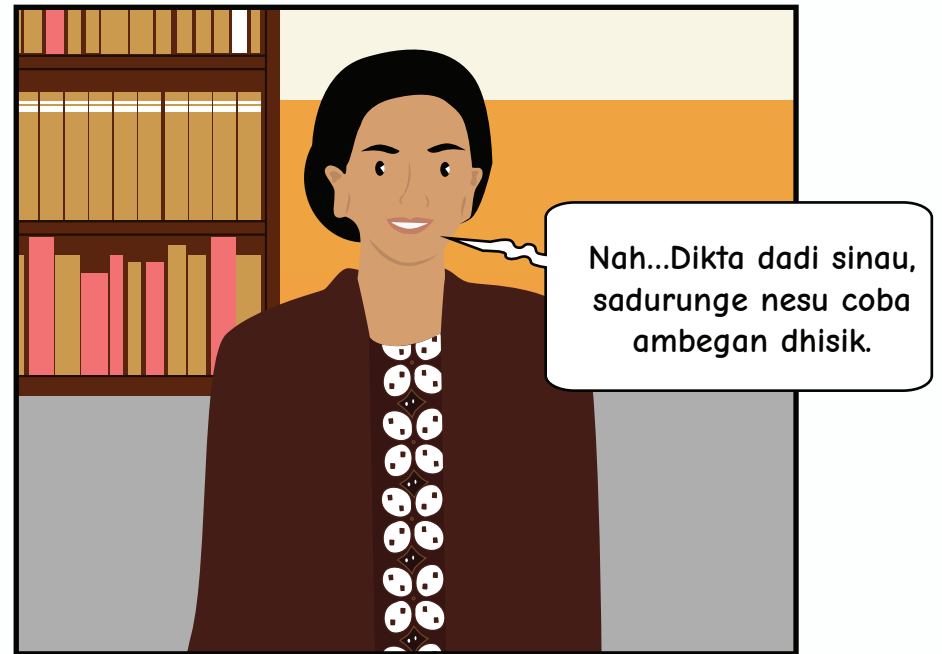

Nggih Bu. Djani, aku njaluk ngapura ya, aku salah wis nuthuk kowe. Aku mau nesu banget amarga kowe nibakkke gendulku.

Iya Dikta. Aku uga njaluk ngapura ya. Aku tenanan ora sengaja. Apa gendule rusak? Aku kudu ngijoli opo kepiye?

Dikta lan Djani salaman lan padha-padha njaluk ngapura, banjur bocah loro kuwi bali menyang kelas.
